**For safety and quality - we ask clients to commit to 2-3 sessions per week when booking Semis
We Are Exceptional! Our Semi-Privates are very small with 2-4 clients per trainer!**

PRIVATE SESSIONS: The perfect place to begin! Usually 10 ten sessions are great for those beginning a fitness program. Privates are ideal for those with biomechanical issues and post-rehabilitative purposes. Privates are an ideal way to help improve shoulder, neck, lower back, hip and knee dysfunction. May be booked after attending INTRO session.

PERFORMANCE SEMI-PRIVATE: Our most popular Pilates Semi-Private Session. Designed for the intermediate student. Based on Essential and Intermediate STOTT PILATES exercises utilizing Reformer, Cadillac, Chair and small equipment. May be booked after completing group of private sessions.

PROS SEMI-PRIVATE: A fast paced STOTT PILATES session, highlighted with Intermediate and Advanced exercises. Designed for the intermediate and advanced students utilizing Reformer, Cadillac, Chair and small equipment. May be booked after completing group of private or "Performance Semi-Private" sessions.

HEALTHY BACK SEMI-PRIVATE: We all have heard it! Pilates is perfect for developing a strong healthy back. This special semi-private class is designed to encourage proper mechanics of the entire spine and especially the lumbar region. Clients who are experiencing pain or have little fitness experience will be required to take some HEALTHY BACK PRIVATE sessions before joining the semi-private group. May be booked after INTRO and group of private sessions.

Here Now! MARSHALL EKLUND's FIT CAMP.

NOT FOR THE FAINT OF HEART!!! A HARD and AGGRESSIVE ULTIMATE WORKOUT. This is A PILATES BASED workout developed from my TWENTY YEARS of clinical experience in every aspect of fitness. This program combines AEROBICS, STRENGTH TRAINING and PILATES! Be prepared for anything. CROSS TRAINER SHOES WILL BE REQUIRED FOR PART OF THIS WORK OUT.
